ANOTHER WONDERFUL CURE!

PRILABELERIA, April 9, 1846.

Last August a year, I caught a violent cold, in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing that I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purplent materin my lungs. I became greatly alarmed; and my friends considered my situation extremely critical, the more so as loss of appetite, hectic fever, and night sweats rendered me as weak as a child, and at night the sweat literally poured off me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I procured one bottle, and experienced so much benefit that I resolved to continue it. It is now six months fince I cased using the medicine, and the cure remains perfect. I firmly believe this medicine is far superior to every other remedy for Consumption of the Lungs.

Said Mary left her school about 5 P. M., wo the 90th of May, 1847, and since that time has not heen seen. She is only 15 years of age, 4 feet 9 inches, black hair, small back eyes, rather thick pouring lips, rd checks, small features, pretty and quite girlish in appearance. She wore a small polic calico dress, pink, purple and blue; black silk cape and appron, black gaiter boots, pink silk shirred hat, and green well; two small chased finger rings, a gold pencil attached to a black cord, and her nails quite short from bitting them. It is strongly suspected that she has been abducted by a person named Michael, alias Martin Hare, formerly proprietor of a Bowling Saloon, located near No. 202 Broadway, opposite the Franklin House, who abscended about that time from this city, deserting his wife and leaving her entirely a stitute of support.

Said Hare is about 28 years of age, no whiskers fair complexion, and rather genteal appearance. He was seen letting in the neighborhood of her school a short time previous, disquised with false whiskers.

A sister of Hare, named Margaret, was removed by him from a boarding school anout the time of the shoutcoin, and is sup, osed to be with them. She is described as follows:—Very dark hair, almost, black; dark skin, grey eyes, prominent eyebnows, a small egron one cychrow, a small scar on the right check as if made by small pox, a scar formed by a gasis upon the cut of the new, rearly an inch in length, the tooth next to the first double tooth on the left side of the face gone; she is about seventeen years of age.

largest and oldest Tee Establisment in America.—
The public have had full proof of their integrity and responsibility. But such has been the great and pressing demand for their TEAS of late, that they have been obliged to enlarge, to a great extent, their two principal establishments in New York, viz:
125 CHATHAM AND 183 GREEN WICH
STREETS.

They moreover possess facilities, is relation to the Tea Trade, in a very abundant degree, and doubtless, superior to any other Tea Concern in America.
Their scropulous regard to all principles that tend to elevate the character of a large house, is well unders ood, and has already secured them a connection, probably, larger than all other Tea Establishments united, and they consequently are determined to sell Teas purer, more fragrant, and perfect for the prices, in the aggregate, than any house in the worth—China excepted.

They most zealously invite the attention of the inhabingnits of WASHINGTON, D. C., to their Agency, where the following assurements are always on hand; and they feel no hestitution in utating that wherever a single trial is made, a very decided preference is given to the celebrated Teas of the CANTON TEA COMPANY.
